FOREWARD

The past twelve months have seen our athletes continually produce outstanding results in competition both at home and overseas. The IAAF World Championships in Athletics provided the biggest stage for these performances with Cathy Freeman, Kyle Vander-Kuyp, Joanna Stone and our medal winning men's and women's relay teams providing just some of the highlights for Australia.

The focus this year will be on the Centennial Olympic Games to be held in Atlanta in August. The Games will not only provide the biggest highlight so far in the careers of the members of Australia's biggest ever touring Olympic Team, but give them a taste of what they can expect when the Olympics come to Sydney in the year 2000.

The IAAF World Junior Championships in Sydney in August will also provide a great stepping stone to the Sydney Olympics. Over 1000 of the world's best junior athletes will converge on Sydney just three weeks after the closing ceremony in Atlanta, giving all involved a sneak preview of the champions who will emerge in 2000.

We wish all athletes, contesting both the Olympic Games and the World Junior Championships, the very best of luck.

This handbook is a vital tool for all coaches, athletes, administrators and the media and provides them with concise information on past and present achievements in athletics.

Our thanks is extended to Chevron Publishing Pty. Ltd. for producing this valuable publication for Athletics Australia.
